If you have a current order that looks like it will overlap those period and you want us to send those that have already arrived first and leave the rest for later or to be sent with next order, please request us to pack your partial order 6 days prior the holiday. So if you wish to avoid National Day Holiday Week delay, please request partial order packing before 25th September. Thank you for your cooperation.

As a side note... October, November and December will be VERY busy if past years were any indication. The heat of the rush will go up as it gets near Christmas. If you wish to shop for Christmas, now it's good time to do so. We are already feeling the pressure now as the season is changing, with orders filling up with Autumn and Winter clothings already. We are doing our best to keep up with the demand. Thank you for your understanding.
