Our Service Fee

Our service fee is 10% of the total of items cost and domestic shipping (within China), with a minimum charge of 50 Chinese Yuan per job.

The diagram illustrates the calculation of the service fee. It features the text ***Our Fee =** followed by a large red parenthesis. Inside the parenthesis, there are two boxes. The first box is labeled **Item Cost** and contains an image of a red gift box with a white ribbon. The second box is labeled **Shipping (China)** and contains an image of a red truck. A red plus sign is placed between the two boxes. Below the diagram, the text ***Minimum fee is ¥50 Chinese Yuan** is displayed.

What we do for the service fee

- General translation of product details
- Search the items you want for you, especially if you do not know the Chinese language
- Check the items for damage upon arrival
- If you have requested photos to be taken, they will be uploaded to our website. (Please request only if you really must have it, as your order delivery date may be delayed because we have other priorities. Although we will not refuse your request, but you may have to wait indefinitely. When we will do it is at our own discretion.)
- Repackage the item(s) to ensure safe shipment
- Provide 40% off regular EMS shipping rate (HUGE saving!)
- In case the seller shipped the wrong item, we will deal with the return on your behalf
